### **PLEASE NOTE:**

#### General

- One subject must be chosen from each group.

#### Music:

- Can be chosen as subject of normal package. This must be negotiated with the principal.
- Is covered by basic school fees.
- Music theory classes take place during normal school hours. Practical sessions take place after school.
- Should Music not be taken as a subject as part of the normal school programme, the extra curricular students have to pay an additional fee.

#### Computer Applications Technology & Information Technology:

- Can be chosen as subject of normal package. (See groups)
- All candidates will be subjected to a screening process.
- Is covered by basic school fees.

\* The school still reserves the right to alter the subject choice for grade 10 to suit the specific needs of the grade 10 learners of 2010.

## LEARNING AREAS 2010

### Grade 8 - 9

The following eight learning areas are covered in each grade:

1. Afrikaans Huistaal  
Afrikaans Eerste Addisionele Taal  
  
English Home Language  
English First Additional Language
2. Mathematics
3. Natural Sciences
4. Social Sciences
5. Arts and Culture
6. Life Orientation
7. Technology
8. Economic and Management Sciences

#### **PLEASE NOTE:**

- Music:
- Can be taken as an additional subject in grade 8 and 9.
  - Because this is a specialist subject in grade 10 to 12, it is compulsory for all grade 8 and 9 learners should they wish to include Music in their grade 10 to 12 subject choice.
  - This is not part of the standard curriculum of grade 8 and 9 learners and will therefore have no effect on the promotion of grade 8 and 9 learners.
  - The basic school fees do not cover the cost of this subject in grade 8 and 9 and there is an additional fee.
  - Classes take place after normal school hours.
